LOSS OF LICENCE INSURANCE

FOR PROFESSIONAL PILOTS

OUR OFFER

Pilot SAAM is an insurance solution designed by SAAM VERSPIEREN Group, with the insurer SWISS LIFE, in order to cover worldwide professional and trainee pilots whose activity depends on a Class 1 medical certificate.

> WE OFFER YOU 3 TYPES OF COVERAGE <

ALL CAUSES DEATH/TILA

> In case of death, the insurer pays the sum insured you have chosen to the beneficiary(ies) you have designated (or yourself in case of TILA).
Sum insured up to 600,000€

PERMANENT LOSS OF LICENCE

> The permanent loss of licence covers you in case of the permanent suspension of your Class 1 medical certificate due to an accident or an illness, causing you to cease your activity as a professional pilot. You get covered on and off duty, in case of illness or accident, until your retirement age.
Sum insured up to 600,000€

TEMPORARY LOSS OF LICENCE

> The temporary loss of licence covers you in case of the temporary suspension of your Class 1 medical certificate due to an accident or an illness, causing you to temporarily cease your activity as a professional pilot. You get covered on and off duty, in case of illness or accident, until your retirement age.
Daily indemnity up to 500€

Being a pilot requires very strict health conditions.
Losing his licence, either permanently or temporarily,
can have serious financial consequences for a flight crew member.

FAQ

I already benefit from another loss of licence insurance, either provided by my employer or subscribed individually. Can I benefit from PILOT SAAM offer?

Of course, our offer works as a top up insurance that comes in addition to any other payments received without any limitation except for the temporary loss of licence coverage.

Why should I get a loss of licence coverage?

Being a pilot is a passion that requires lots of time and financial investments. Injuries or health deterioration can occur and cause permanent loss of licence, preventing you from continuing your activity and get a salary.
